5. Overview of Indiana Traffic Laws

Indiana's Graduated Driver Licensing (GDL) system requires young drivers under the age of 18 to complete an approved driver education program. Students may begin classroom instruction at 15 years old and apply for a learner's permit upon enrollment. A probationary driver's license may be issued at age 16 and 90 days upon successful completion of the program.

Key Provisions:

- All drivers must carry valid auto insurance and identification.
- Drivers under 21 must not use any electronic devices while driving.
- Probationary license holders face restrictions such as limited nighttime driving (no driving between 10 PM–5 AM for first 180 days).
- Failure to obey traffic laws may result in license suspension, fines, or further legal

consequences.

- Indiana enforces a "Zero Tolerance" policy for underage drinking and driving (BAC \geq 0.02%).

NEXUS DRIVING SCHOOL ensures that all students understand these laws through classroom discussion, quizzes, and practical driving instruction.
